

# MORNING RALLY SPEAKER HANDOUT

---

Inspiring our team, on purpose.

## What is the purpose of the Morning Rally?

Every weekend we have an opportunity to worship God, serve the Church, and bless the community. As Citizens of Heaven, our desire is to bring the best of what God has for us to his people. The Morning Rally is a time for our team to refocus our attention on God and each other so we can be filled with the Holy Spirit and ready for all that God will do! **The goal of the Morning Rally is to provide space for our team to be Equipped, Encouraged, and Inspired to fulfill their unique role with joy and excellence.**

## The Purpose & Responsibility of The Morning Rally Speaker

The Morning Rally Speaker has the unique privilege to share what God has put on their heart for the edification of the team. Luis or Ben will gather the team, host the rally, and provide an intro and outro to the entire time together. The Speaker should be focused on bringing a word of encouragement, equipping, and/or inspiration that will help the team fulfill their roles.

## The Morning Rally is NOT...

- A soapbox on which you can espouse an arbitrary idea or conviction
- A Bible study where we explore some theological concept without context
- An opportunity to chastise, exhort, or address issues
- A time of reflection on personal issues that don't apply to Weekend Worship Services

## Morning Rally Format

The format may vary, but the main components will be:

- **9:20 - 9:25 / Introduction:** a prayer, welcome, and/or time of worship
- **9:25 - 9:35 / Speaker:** A time of encouragement, equipping, and inspiration
- **9:35 - 9:38 / Closing:** Wrap-up by Ben or Luis with prayer and chant

## How do I best prepare for this role?

As you consider your role each weekend you serve, ask yourself these questions:

- Is what I've prepared what I know God wants to use for this team?
- How will what I'm going to say specifically encourage, equip, or inspire?
- What do I want people to take away from this time together?

## Final thoughts...

What you do as a Morning Rally Speaker really matters. It is the fuel our team needs to move ministry forward! Speaking is an opportunity to serve each member of our team who sacrificed the time to know God and make Him known? You are given the privilege of helping guide our team into all that God has, not only for us but for the entire church. So take a deep breath, trust that your preparation will serve you well, and give God your very best every time you speak. We trust and Love you! You Got This!
